The Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

CHIEF SECRETARY. P.P. 18 FEB. 193 GOVT. OF MYSORE

Dated Bangalore, 18th February *1937*.

AIR NAVIGATION IN INDIAN STATES.

SIR,

8787/PPS7-36-1

I am directed to refer to my letter No.F.924-36/R.O.I, dated the 1st December 1936, and to say that the Director of Civil Aviation in India has drawn attention to the desirability of establishing throughout India a uniform standard and procedure in operational matters pertaining to aerodromes, primarily in the interests of safety, but also to promote sound and economical development. He considers that from the outset uniformity should be secured on the following subjects:-

1. Aerodrome and airway control and training of aerodrome control staff:

2. Operational equipment of aerodromes, more particularly night lighting equipment: and

3. Reports of unserviceability of aerodromes and interchange of urgent navigational warnings.

2. His office would always be glad to offer any information or advice on the above points; and in this connection arrangements could be made to supply to the aviation authorities of Indian States the Instructions to Aerodrome Officers, Notices to Airmen, Meteorological publications, etc. in which the general operational practices are defined. Technical information regarding aerodrome equipment would also be provided if desired.

3

3. As regards the training of aerodrome control staff, the Directorate of Civil Aviation in India would be prepared to offer facilities for the training at the Karachi Air Port of a strictly limited number of probationary officers for employment by Indian States.

I have the honour to be,

Sir,

Your most obedient servant,

SECRETARY TO THE RESIDENT.

BJ
